

# SPRAY CHAINLUBE ROAD STRONG

WHITE COLOR - ROAD USE

## Description

White chain lubricant. Especially for road use of motorcycles. O-ring and X-ring tested. Extremely high-pressure resistant lubricating film. Highly adhesive, resists fly-off and water resistant. Thermally stable. Reduces wear and friction.

## Advantages

- highly adhesive
- resists fly-offs
- thermally stable
- water resistant

## Use

Shake well before use. Spray clean chain. Allow to soak in. Also ask for the handy, refillable mini-can.

## Contents

500 ml / 56 ml
